

SACRIFICE

169

Aparna

Tell me.

Jaising

You bring to me your
sacrifice
every moment, as a mother
does to
her child. God must be all
sacrifice,
pouring out his life in all
creation.

Aparna

Jaising, come, let us
leave this
and go away together.

Jaising

Save me, Aparna, have
mercy upon
me and leave me. I have only
one
object in my life. Do not
usurp its
place. *[Rushes*
out.

Aparna

Again and again I have
suffered*
But my strength is gone. My
heart
breaks. *[She goes*
out.
